

THE LEGACY SERIES

Bourbon Whiskey Finished in Scotch Casks

"This first edition of my Legacy Series is named after my two wonderful daughters, Hope and Honor"

"Children bring something unique to all of us. They inspire our future and provide us with hope for something better. They stand, for me, as a celebration of life and its enrichment. This whiskey is for them. A harmonious blend of premium 6 and 7 year old bourbon, meticulously finished in peated Scotch casks, embodying the union of Scottish tradition and American spirit, it truly encapsulates the essence of "A Scotsman's Dream of America." It marks part of the legacy we all share with our kin. Something that will last. It's my honor to share the first edition of my Legacy Series with you, and I hope you love it as much as I do."
